Sir:

**RENEWED PETITION UNDER 37 CFR 1.137(b)**

In response to the Dismissal of Petition to Revive Application mailed March 5, 2008, petitioner requests reconsideration of the Petition to Revive Application and also requests a one month extension of time in which to respond to said dismissal.

In support of this request, applicant hereby submits a properly signed Petition for Revival of Abandoned Application and a check for \$60.00 to cover the one month extension of time.

The examiner inquired about the length of time involved in the filing of this petition. The former attorney for applicant died and it took some period of time for his family to arrange for the disposition of his files. Once we received them, they all had to be reviewed to see what needed to be done on them to bring them up to date.

It is believed that this renewed petition and the above-described action are sufficient to grant applicant's petition for revival of this application and such action is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'K L Green', with a stylized flourish at the end.
